e:HEV

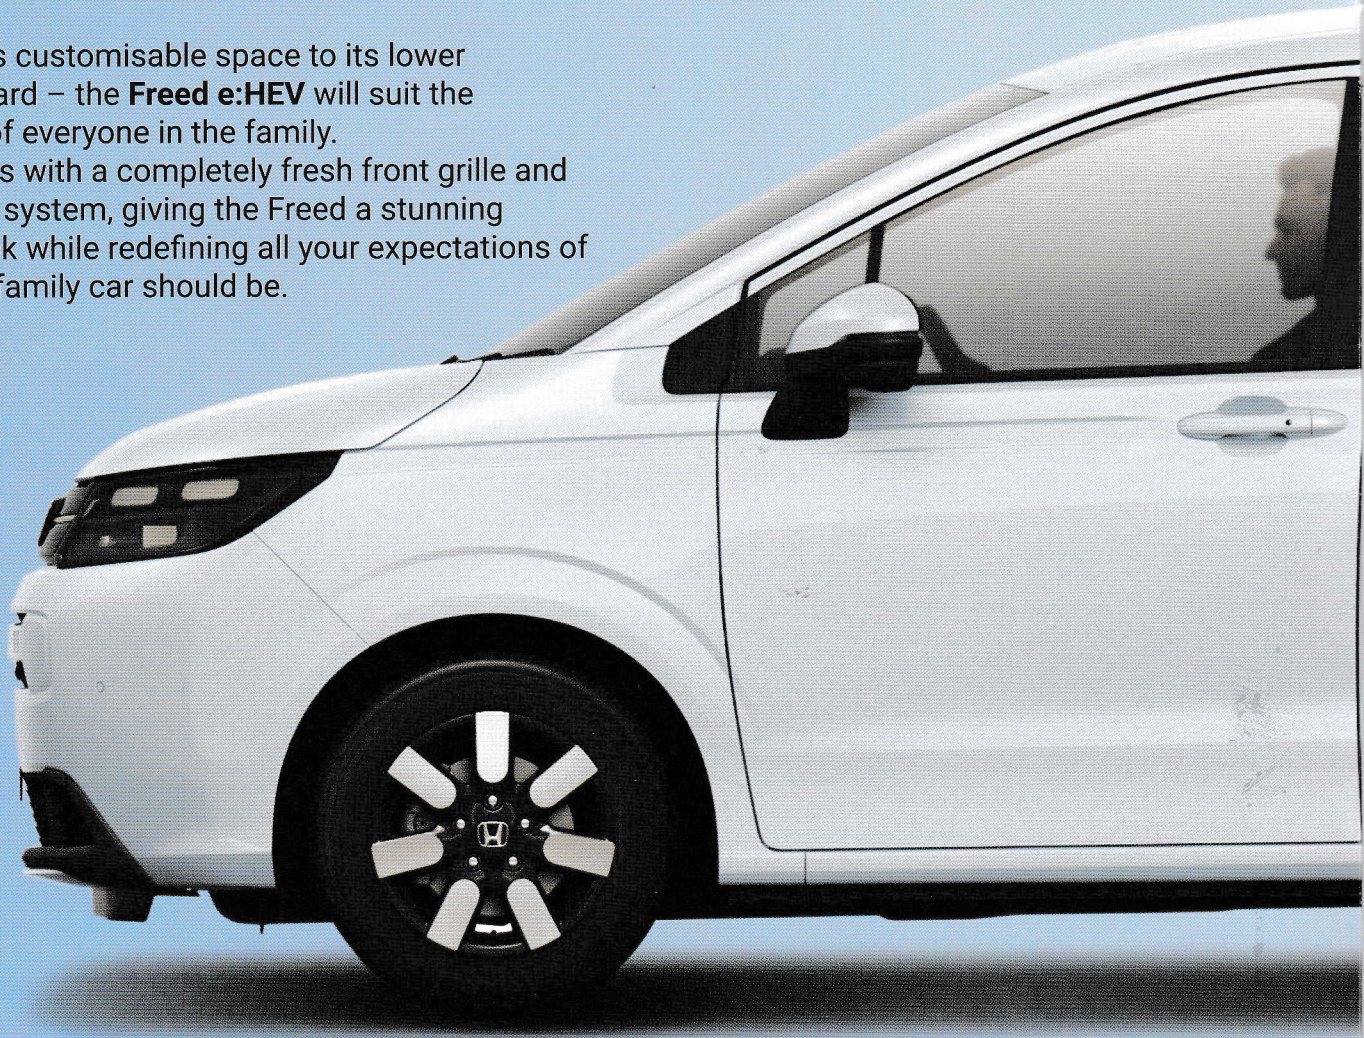

H HONDA

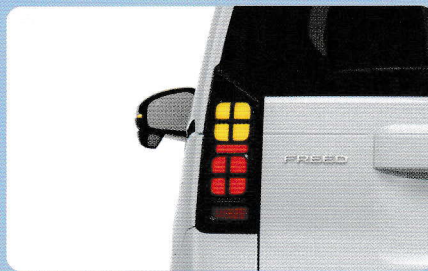

KAHMOTOR

FREEDOM TO DRIVE

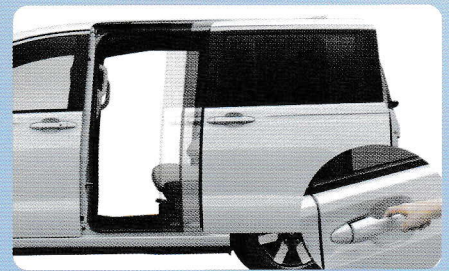

From its customisable space to its lower floorboard – the **Freed e:HEV** will suit the needs of everyone in the family. It debuts with a completely fresh front grille and lighting system, giving the Freed a stunning new look while redefining all your expectations of what a family car should be.

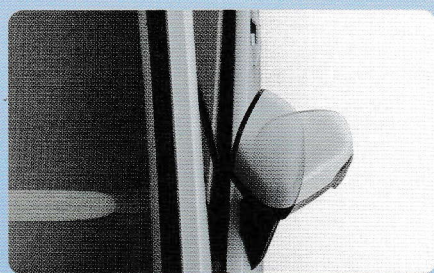

LED Headlights with Daytime Running Lights
Light up the road with sleek LED headlights to create a modern, sophisticated impression.

LED Brake Lights
The new brake lights are now more eye-catching with its distinctive design.

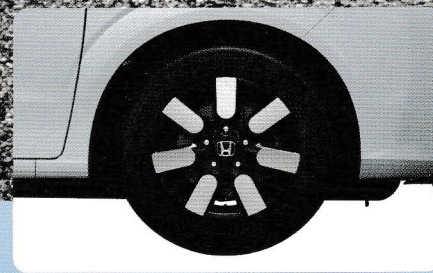

Dual Power Sliding Doors
Enjoy the convenience of the dual power sliding doors.

Auto-fold Side Mirrors*
The side mirrors automatically fold and unfold when you lock/unlock the car.

Smart Keyless Entry
Unlock the ease of every ride with seamless door handles and One-Push start.

15" Alloy Wheels
Add a sporty flair to every drive with stylish 15" alloy wheels.

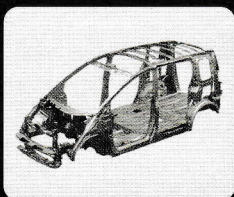

*Available in HE7 only. Specifications may vary from the model(s) shown.

A SMOOTH RIDE AWAITS

SAFETY & SECURITY

The innovative safety features in the Freed protect your family from harm's way. Drive with peace of mind knowing that everyone is covered with quick-deploying airbags, G-Con body, and more.

G-CON Body

Protect your family with G-CON Body which channels crash forces away from passengers.

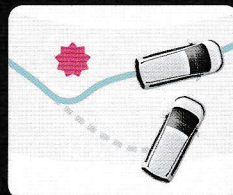

6 Airbags System

Drive with peace of mind with six-quick deploying airbags ready to protect everyone on board.

ISOFIX System

Connect child seats with ease for optimal safety and stability.

Vehicle Stability Assist™ (VSA)

Stay on track through sharp turns, and maintain traction and stability on slippery roads.

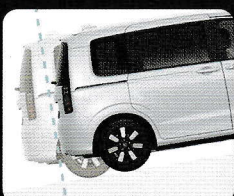

Emergency Stop Signal (ESS)

Alert drivers behind you to sudden stops to reduce collision risks.

Anti-lock Braking System (ABS)

Prevent wheel lock-up and increase stability and control during emergency stops.

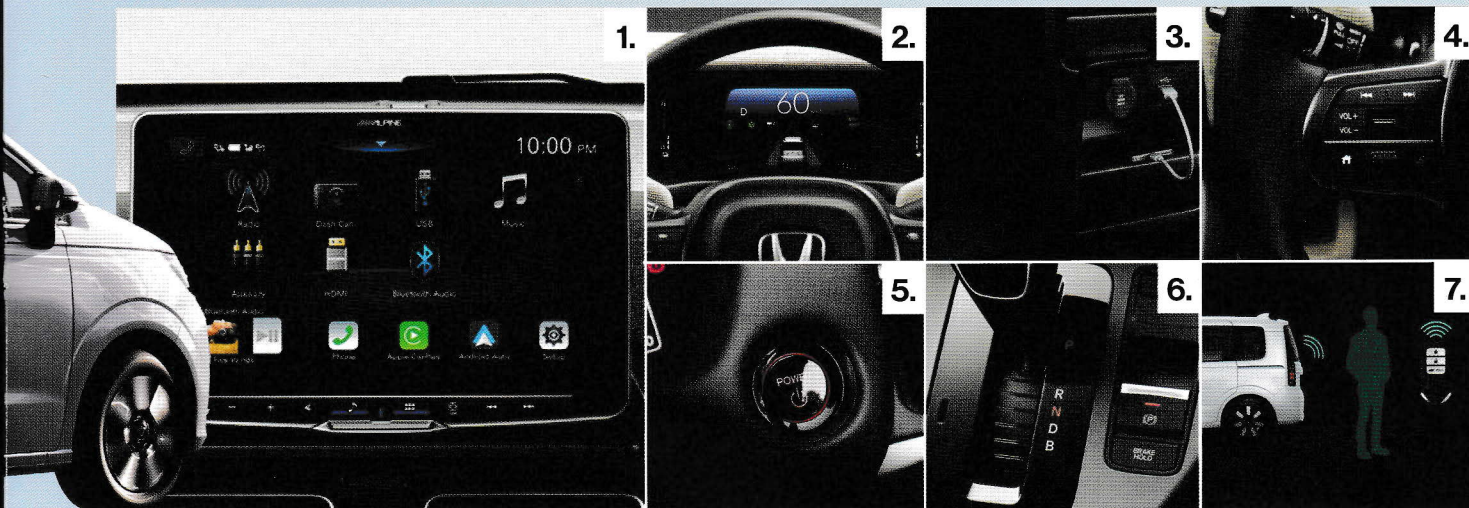

Hill Start Assist

Ensure smooth acceleration from a stop while on a steep incline.

TECHNOLOGY

Performance is never compromised in the Freed. Stay in control, effortlessly, with its one-push start system, easy handling and 7-inch TFT display – everything that you'll need is within your grasp in the driver's seat.

1. 11" Display Audio with Apple CarPlay and Android Auto

2. 7" TFT LCD Meter + Multi-information Display

3. Front USB Charging port with storage slot

4. Steering Wheel Controls

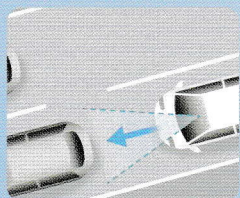

5. One-Push Start System

6. Electric Parking Brake

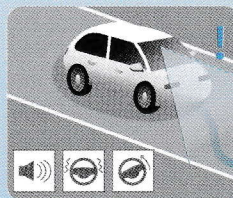

7. Walk Away Auto Lock

Honda SENSING

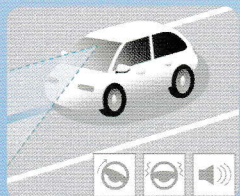

Honda Sensing has evolved even further in the Freed to assist and protect you while driving. Drive with greater confidence thanks to the improved functions and built-in safety features.

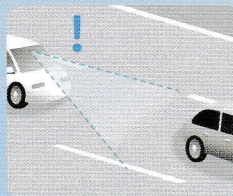

Adaptive Cruise Control (ACC) with Low-Speed Follow (LSF)
Drive stress-free with Adaptive Cruise Control, keeping a safe distance automatically.

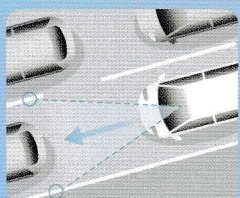

Collision Mitigation Braking System (CMBS)
Detects and alerts you of a potential collision, and slows down to minimise unavoidable impact.

Lane Keeping Assist System (LKAS)
Prevents accidental drifting to keep you centered.

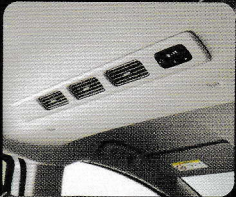

Road Departure Mitigation System (RDMS)
Notifies the driver of unintended lane or road departure.

Traffic Jam Assist (TJA)
Autonomous braking and steering keep you safe in traffic.

JUMP IN AND GET COMFORTABLE

The interior is designed with your family in mind. The Freed has plenty of features to make longer trips feel shorter. Expect plenty of beverage & convenience holders all around. Bigger sunshades and rear ventilation to beat the heat.

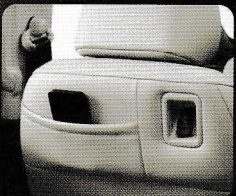

Rear Ventilation Outlet*

Ensure passengers are cool and comfortable throughout the journey.

Rear Seat Type-C Charging Ports*

Power up on the go with Type-C charging ports in the rear seats.

Rear Seat Pocket*

Keep the backseat clutter-free with a pocket holder for all your small items.

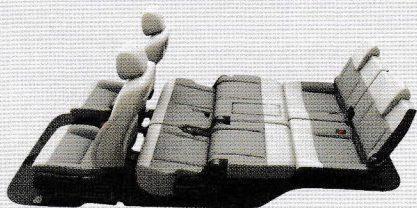

Convenient Storage Space

Keep your essentials organised and within easy reach.

*Available in HE7 only. Specifications may vary from the model(s) shown.

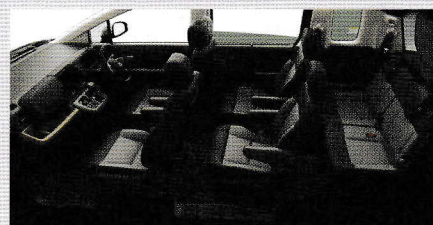

TUMBLE SEAT CONFIGURATIONS

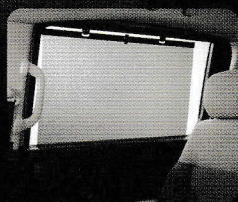

Adjust all seat rows for a cosy lounge with more leg room whenever you want.

Fold up the third-row seats for larger boot space.

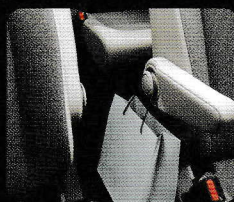

The 7-seater Freed allows for multiple seating configurations.

Door Lining Sunshade

Keep the second row cool with larger sunshades.

Convenience Hook

Keep your belongings in place during every drive.

Cup Holder

Secure your drink with a spill-free beverage holder.

Bottle Holder

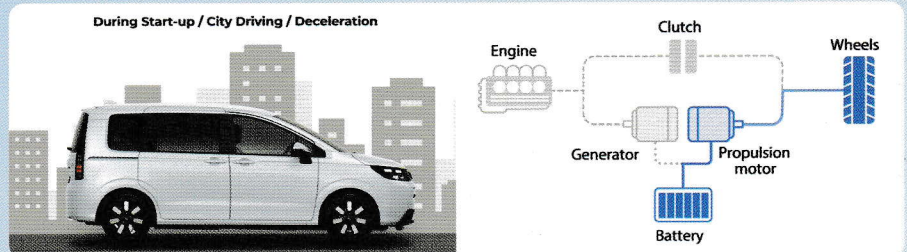

Ensure your passenger cabin remains a spill-free zone with handy bottle holders.

OPTIMUM PERFORMANCE WITH HEV

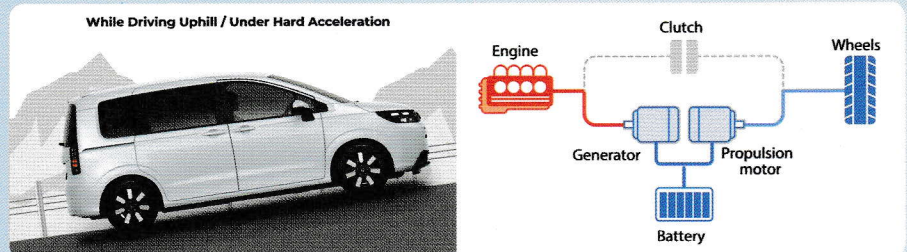

ELECTRIC VEHICLE (EV) DRIVE MODE

The vehicle is powered solely by the electric motor using energy from the battery. This enables a quiet, smooth, and zero-emission drive. Ideal for short trips, stop-and-go traffic, or low-speed city cruising.

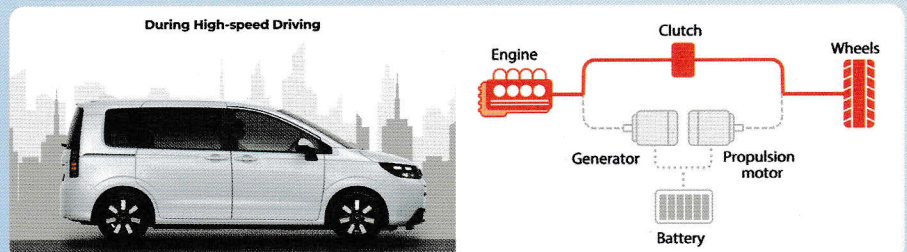

HYBRID DRIVE MODE

The engine operates as a generator while the electric motor powers the wheels. This balance delivers strong acceleration and driving excitement while optimizing fuel efficiency.

ENGINE DRIVE MODE

At higher speeds, the engine drives the wheels directly at its most fuel-efficient range. When needed, the motor provides an extra power boost for overtaking or climbing.

The smoothest ride awaits with the Freed e:HEV engine that can automatically switch between three modes. Driving is now easier and more efficient. Fuel economy is up to 5.1L/100KM and there's no need to charge your car ever.

SAY HI TO HYBRID

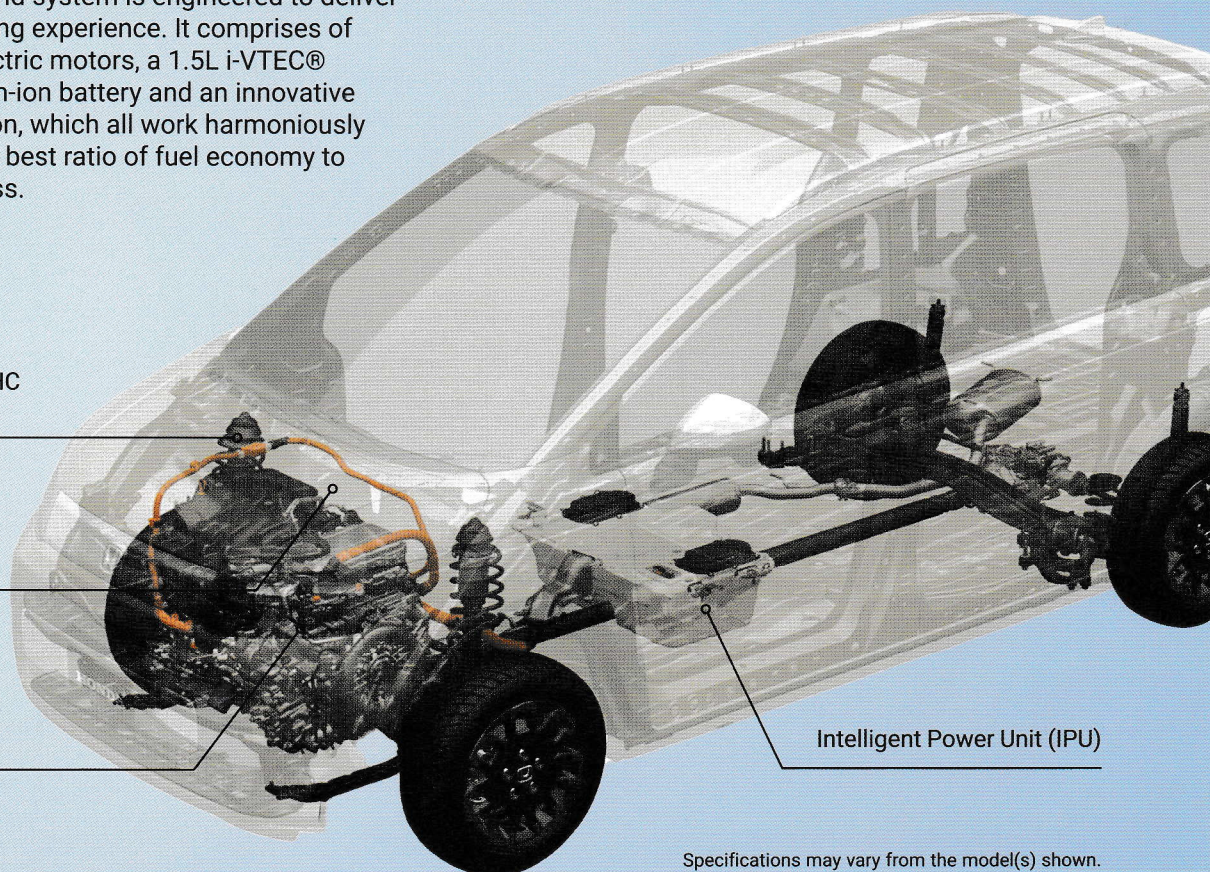

The self-charging hybrid system is engineered to deliver enjoyment to the driving experience. It comprises of two energy-dense electric motors, a 1.5L i-VTEC® petrol engine, a lithium-ion battery and an innovative fixed-gear transmission, which all work harmoniously together to deliver the best ratio of fuel economy to acceleration in its class.
